What is the Intrepid Advantage?

The Intrepid Advantage represents the real-world expertise accumulated by Intrepid's dedicated team of directional operations professionals. In total, they have more than 300 years experience in the directional drilling service industry and have drilled more than 1,350 directional and horizontal wells. When you combine this expertise with state-of-the-art equipment; a commitment to quality service and a revolutionary approach to directional pricing, Intrepid should be your directional supplier of choice.

Request for Proposal

To obtain a detailed proposal on your next directional or horizontal drilling project, please complete our Request for Proposal form.
